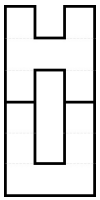
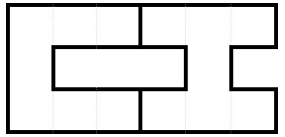
Filling the Space Between Heaven and Earth





CREATING: SOUND, MOVING A STREAM OF CLOUDS

When I am sound moving, water streaming;

Then I am beginning to produce of stream of clean nourishment in order to fill a lake of joy.

Inside, I am expanding toward heaven's leading impulse (beginning the interaction and correspondence between being led by heaven and yielding heaven on earth); and

Outside, I am selecting and choosing from earth's heavenly yield (organizing and weaving a thread across the affairs of the world in order to cross through blockages and difficulties).
